

# Add a "PS"

## *To help a neighbor*

"PS" is Project Share – a program that assists needy households in paying their winter energy bills. You can help this effort by adding a regular **Project Share** contribution to your utility payment, or by making a direct donation to Project Share. These funds are distributed to your neighbors in need.

A local social service agency carefully identifies those residents who qualify, and a local committee oversees Project Share to guarantee that all contributions are handled equitably and efficiently.

**Adding a "PS" – a Project Share contribution** to your utility payment each month is a simple way to share some warmth with those who need it.
